

Wampanoag Road Runners  
Old Fashioned Ten Miler Road Race Meeting  
Feb 11 , 2008  
Held at Fitzzy's Pub, No. Attleboro, Mass.

Attendance: Jim Morris, Sandy Sheehy, Kathy Schaaf, Steve Baker, Kham Haleudeth, Kevin Fitzgibbon, Sean McNamara, Dave Donnelly, Jim Leonard, Bob Tracey, Jack Martin, Pret Stevenson, Jim Hawkins, Paul Servais

This meeting was held exclusively to go over last minute details of the O.F.T.M. and Flat 5k race being held on Feb. 15.

Course notes-- The water stops at mile #3 and #5 will have some issues. Water stop at mile #3 has little room for parking near the table due to snow and ice. Parking will have to be a short walk before and after the water table. Water stop at mile #5 will have to be north of the railroad tracks due to snow and ice and also to keep runners to the right of the road.

OFTM- street marshalls list will be watched by Roland Derosier. We will need extra help at the intersection of Mechanic and Chestnut due to traffic light and runner crossover.

Police Details- Dave Donnelly will give the locations to cover. (Rotary at center of town, Lakeview and Rte 140, Cross and North Street, Beach and Mechanic, Mechanic and Chestnut.)

Waterstop tables—Kham and Kevin Fitz along with Jim Hawkins will take care of the tables and water.

Mile Markers and street cones— 5k Ray Olivier will be involved with getting them placed.

Sean McNamara will send out an e-mail asking Wampanoag nation to come in on Sunday help out in many areas such as; Registration table, food prep and kitchen cleanup. There are other minor issues that need attention as they happen. These areas need a lot of help due to 5k race finishing before the 10 miler and the ensuing mass of runners.

Red Shirts \_\_\_\_\_ Sandy is asking all who come in to wear the new red Wampanoag and Betty shirts.

Fall Marathon The selections are now on the website

Reach The Beach—We have 4 candidates so far. There will not be a Betty team.
