

June 1, 2011

Dear Sandy and Wamps,

Thank you very much for supporting my running of the Boston Marathon on April 18th and the Parent Involvement Program, INC. It is hard to believe the marathon is behind me, given the large role it played in my life during these past five months.

The Boston Marathon was one of the most memorable and best experiences of my life! I had a finishing time of 4:08:21 and also raised \$3,257 for the Parent Involvement Program, INC. Please know the Wamp's donation will fund math, science and technology programs for young girls as well as provide two academic scholarships for those in need.

Once again, thanks again for your all your help and support with my running of the Boston Marathon.

Sincerely,
Michele Lahah

*Thank you for your
help in making the
Boston Marathon a success
for me. It would not have
happened without the WAMPS.
See you soon!
Michele*
