Dear Sandy,

Another year, another terrific race! On behalf of the Attleboro Arts Museum, I'm sending our most heartfelt thanks to the Wamps and the Bettys for their generous donation of \$2,000. We so appreciate the support you've bestowed upon the Museum for the last 16 years. Such a long-standing commitment to the regional arts community is a tremendous achievement, and we applaud your efforts. We simply couldn't do the work we do without the help of Museum friends like you.

Looking forward to another successful race in 2011!

Warm regards,
