Dear Friends,

It is a pleasure to thank you for your gift of \$100.00 to support the 2010 Dana-Farber Marathon Challenge (DFMC). Our team of more than 500 runners in the 114th Boston Marathon® is raising critical funds for basic cancer research at Dana-Farber Cancer Institute.

Your gift directly advances the search for cancer's causes and possible cures through the Claudia Adams Barr Program in Innovative Basic Cancer Research at Dana-Farber. The Barr Program provides vital funding for young, creative scientists to forge new paths to more effective cancer treatment. Your commitment to our dedicated runners during our Mission Possible Campaign is bringing our lifesaving mission to new heights and uniquely positioning us to usher in a new era of personalized cancer treatments.

Thank you again for helping to make Dana-Farber Cancer Institute's mission possible and for your support of our patients, their families, and the incredibly devoted Marathon Challenge team members.

Please visit our website at www.dana-farber.org to view our progress.

Sincerely,

Susan S. Paresky
